STEAKS

at meat bar we work closely with our master butcher Tom Rodgers and use only the finest grass-fed, 40 day dry-aged Scottish beef supplied by MacDuff, who rear their cattle in the glens of Scotland.

rib-eye • considered one of the tastiest with a rich marbling of fat to give guaranteed flavour and succulence / **recommended medium**

sirloin • a bigger beefier flavour than rib eye or fillet with a firmer texture / **recommended medium rare**

rump • a firm texture and rich flavour / **recommended medium**

fillet • the most lean and tender of steaks / **recommended rare**

t bone • the best of both worlds - on one side a tender fillet, on the other a flavoursome sirloin / **recommended medium rare**

signature steak • Meat Bar's 60 day dry-aged sirloin on the bone for extra depth of delicious flavour / **recommended medium rare**

steaks are charged according to market price, weight and cut. See board for details.
